ASIAN AMERICAN PACIFIC ISLANDER NURSES ASSOCIATION OF TEXAS

# THE 2025 ANGIE PHAM SCHOLARSHIP

The Angie Pham Scholarship honors the legacy of Angie Pham (1940–2017), a beloved community leader, educator, and lawyer who devoted her life to helping others, regardless of their background. This annual scholarship, awarded by AAPINA of Texas, recognizes a nurse who embodies Angie’s spirit of service and dedication to underserved communities.

Born in Vietnam in 1940, Angie escaped the Fall of Saigon in 1975, taking four young children with her and leaving five behind. She made the dangerous journey to America on a fishing boat, crossing the open sea in search of freedom. After arriving in Fort Worth, Texas, with nothing but hope and determination, she spent the next 18 years of her life sponsoring her children to America.

Throughout her life, Angie worked tirelessly to support those in need, offering legal assistance, providing resources to families, and supporting victims of domestic abuse. She believed in the transformative power of education and healthcare and worked to ensure those with limited access received the support they needed. Angie’s legacy continues through her 11 children, 28 grandchildren, and 32 great-grandchildren, and carry forward her values of love, perseverance, and selflessness.

The Angie Pham Scholarship supports nurses who have demonstrated a strong commitment to serving underserved populations, ensuring all individuals have access to the care, education, and resources they deserve. This scholarship also inspires future generations to carry forward Angie’s values of compassion, service, and dedication to improving lives.

Angie Pham’s legacy of helping others will continue through this scholarship, inspiring nurses to impact the world positively.
